HIGHLIGHTS

Laundry that fits your home. Our 32" depth space-saving washer fits tight spaces like closets or alcoves, delivering full-size performance in a shallow depth design.

Easy-to-change venting options provide the ultimate installation flexibility to fit in your home

Start, stop and monitor your laundry from anywhere while receiving real-time notifications and updates

Signals when delicate clothes reach the ideal dampness level for ironing or final air drying

Meets or exceeds federal guidelines for energy efficiency means you save money and energy costs all year round.

Easily reverse your washer and dryer door for superior installation flexibility

Sterilize clothing with elevated temperatures designed to kill common household bacteria

Prevents wrinkles by extending the tumble without heat
